

WHITBY

What's on?

Whitby is one of the North East coast's best loved seaside towns. It has a range of attractions which suit all ages, from amusements and rock shops to Whitby Abbey and 199 steps. Whitby wallows in history, including fishing, the jet industry and its literary connections – Bram Stoker's famous Dracula features the town, with the vampire first coming ashore here from Transylvania – has inspired the world famous Goth Festival, which takes place in the spring. Visit <http://www.visitwhitby.com/> to see a full range of attractions and admission prices.

One of the best things about Whitby has to be the outstanding fish and chips and Hadley's and The Magpie have to be some of the best. Don't forget to take a trip on the Whale Watching Boat Tour where you can enjoy magnificent views of Whitby's coast for many hours. Whitby is reachable by train straight into Whitby Rail Station or by car; parking is available although it is very busy at peak times. However, for Park and Ride times, location and prices visit <http://www.northyorks.gov.uk/article/28704/Whitby-park-and-ride>.
